

Release Plan

Heading:

Product name: 30days
Team name: Team 1
Release name: release plan #1
Release date: 6/29/2020
Revision number: 1
Revision date: 6/28/2020

High Level Goals:

- As a user I wish i can keep on doing something through this app so that I will not give up halfway. Also, I may find and gain some new habits through this app (like the recommendation challenges or habits from the app)

User stories for release :

Sprint 1:

[4/10] User Story 1: As a new user, I want to know how to add a challenge

[6/10] User Story 2: As a user, I want to gain better habits by viewing new challenges and choosing one.

Sprint 2:

[3/10] User Story 1: As a user I want to gain better habits by reminding myself daily to do them.

[3/10] User Story 2: As a user I want to mark the challenge of each day as complete after I finish it.

[4/10] User Story 3: As a user, I would like to view the progress made on my chosen challenge over the past month.

Sprint 3:

[3/10] User Story 1: As a user, I want to see what I have achieved for the previous 30-day challenges.

[7/10] User Story 2: As a user I want the app to be easy to use and the plan is flexible for people that are really busy or something else happened.

Product backlog:

This is empty so far since we have added every feature and user story that we are planning to do into our future plan.
